RIDGEWATERS IN THE 1910 CENSUS includes all spellings of the surname in a fully searchable database. This is more a “Locator” than an “Index”, in that full or partial given names and/or maiden names, *where known*, have been added to each of the 2,000 plus entries. Married Bridgewater women and their families, *when found*, are also included. For example, the Saline Co., Missouri, census entry for C. T. *Bridgewater* and his family was:

BRIDGWATER, C T
 BRIDGWATER, DOVIE
 BRIDGWATER, MAMIE
 BRIDGWATER, CORDELIA
 SLEEPER, ELIZA J

The record is “indexed” as:

BRIDGWATER, CHARLES T
 BRIDGWATER, NANCY DOVIE nee LEMON
 BRIDGWATER, MAMIE
 BRIDGWATER, LILLIE CORDELIA
 SLEEPER, ELIZA J previously LEMON

There are naturally fewer families of married Bridgewater women in the database as they are not as easily located. Accordingly, all users of this locator index are requested to submit references to any such Bridgewater women they know of who are not already included. Additions and/or corrections are very welcome and will be uploaded periodically.
